

A two day workshop on the development of Internship logbook was conducted at AIIMS Bhubaneswar on 28th -29th November 2016.

The first batch of MBBS students are about to complete their curriculum and join compulsory Internship training from 1st January 2017. It is necessary to have a uniformity among all the AIIMS in the aspect of internship training. Therefore a workshop was conducted by the Medical Education Unit of AIIMS Bhubaneswar under the patronage of Prof.Gitanjali Batmanabane, Director, AIIMS, BBSR and Prof Vikas Bhatia, Dean, AIIMS, BBSR where faculty from all the AIIMS participated. After discussion and deliberation over two days on the various aspects of Internship training on all the Departments where the interns are posted, we could come up with a final internship Logbook document. This logbook will be adopted as it is by all the AIIMS.

The nine delegates who had represented their respective AIIMS, appreciated the efforts and team work of the Medical Education Unit, AIIMS, BBSR under the chairmanship of Prof. Madhabananda Kar, and requested to conduct various other academic programs with participation from all AIIMS in future.
