### AIIMS BHUBANESWAR

Dear all,

The Good Governance day 2020, which is celebrated on the birth anniversary of former Prime minister, Bharat Ratna, Late Shri Atal Bihari Vajpayee on 25<sup>th</sup> December, was observed at AIIMS Bhubaneswar with a great fervor and reverence. The AIIMS Bhubaneswar fraternity paid floral tributes to the eminent national leader and visionary.

The event was attended by the Director AIIMS Bhubaneswar, the Medical Superintendent, the Deputy Director (Admin), the Faculty and all other staff in large number. The event was organized at the Greenish lawn, in front of the Hospital main building. In her address to the gathering, Director AIIMS Bhubaneswar emphasized on the need of transparency, accountability and integrity in rendering public services. She elucidated the pattachitra drawing, at the AIIMS Bhubaneswar auditorium which reflects AIIMS Bhubaneswar's work culture and ethics. As to mention, the drawing refers to Ramayana where Physician Sushena treats unconscious Laxman with the Sanjeevini brought by Hanuman. Identically, it symbolizes the core principles of AIIMS Bhubaneswar.

Later on, Medical Superintendent in his speech correlated the concept of 'self-governance' that transforms into 'Good Governance'. DDA narrated the history of installing Shri AB Vajpayee Ji statue and subsequent inauguration at AIIMS Bhubaneswar. He recalled the unique fact that, AIIMS Bhubaneswar is the Only AIIMS in India to which, the legendary statesman had laid the foundation stone. He accredited the contributions of Shri AB Vajpayee Ji as the leader who strived for the 'Next Generations'.

The event was concluded with a vote of thanks to all the members. A High Tea was followed by some memorable group photos of all the staff, standing together in the gracious presence of the Director AIIMS Bhubaneswar.

Thanks & Regards
