Dr. Debapriya Bandyopadhyay

## Contents

1. Hospital Statistics
2. Institute Events
3. Departmental Achievements
4. Faculty Endeavours

---

## Dear Readers,

*Welcome to the third issue of 2018 of the quarterly newsletter of AIIMS Bhubaneswar, the Dhauli. In this quarter we ushered the new batch of MBBS, Nursing, Paramedical and Post graduate students, celebrated the Institute foundation day, Institute Annual Day and Independence days with great enthusiasm; but the cherry on the cake was the first Institute Convocation which was meticulously planned and organised, where the first batch of fifty MBBS students received their honors.*

*The MoU with NTPC for the state of the art Burns Unit in our Institute was also an important milestone for our Institute.*

*We also mourned the great loss of Shri Atal Behari Bajpayee ji, who had established the foundation of this Institute back in 2003.*

*This issue also showcases the several accolades won by the faculty of this institute.*

*The faculty and staff with the dynamic leadership of our Director are leaving no stone unturned in improving campus safety and making the AIIMS Bhubaneswar Hospital more patient friendly place.*

*Together we can.....*

## 1 July 2018: The 5th Midterm CME of Pediatric Hematology & Oncology.

The 5<sup>th</sup> Midterm CME of Pediatric Hematology & Oncology (PHO) Chapter of Indian Academy of Pediatrics (IAP) was held in AIIMS, Bhubaneswar in the main Auditorium and LT-1 on 30<sup>th</sup> June and 1<sup>st</sup> July 2018. The CME was organised by the Dept. of Medical Oncology/Hematology under the aegis of IAP Odisha Branch and PHO chapter of IAP. The conference was attended by many International (**Prof. Sheila Weitzman, Sickkids, Toronto; Prof. Y Rabindranath, Children's Hospital of Michigan; Nalini Pati, Consultant Ped Hematologist, Canberra**) and National faculty from the Institute of National Importance. More than 300 delegates from different streams participated in it. Aim of the CME was to bring together Pediatric Oncologists, Medical Oncologists, Clinical Hematologists, Pediatric Surgeons, Pathologists, Post graduate students and general practitioners, who were able to share their knowledge and expertise in various fields of Pediatric Hematology and Oncology. The programme was presided by **Prof. Y. K. Chawla, Chairman Academics, KIMS KIIT University, Bhubaneswar** and inaugurated by **Dr Gauri Kapoor (Chair, PHO), Prof. Deepak Bansal (Hon. Secretary, PHO), Prof. Sachidananda Mohanty, Medical Superintendent, AIIMS, Bhubaneswar and Dr Prashant Sabot (Secretary, IAP Odisha)** graced the inauguration. The Reference Manual for National Training Project in Practical Pediatric Hematology (NTP-PPH) was also released in the inauguration ceremony. The CME was credited with 8 credit hours. This is the first of its kind to be organised in Odisha. **Dr Sonali Mohapatra, Dr Ashutosh Panigrahi, Dr Samarendra Mahapatro** were the key organising persons.

7 July 2018: The department of Orthopedics organized a CME on dual mobility hip replacement with 2 live surgeries. The event was inaugurated by our Director and Dr. Nishikant Kumar was our invited faculty. The event was participated by 25 external and 15 internal delegates.

7 July 2018: The department of Forensic Medicine and Toxicology, AIIMS Bhubaneswar in collaboration with the Directorate of Family welfare, PC and PNDT Cell Odisha organised the CME on PC and PNDT Act.

12th July 2018: The Still births and Birth Defects Surveillance Team of AIIMS Bhubaneswar organised the 1st sensitisation cum training programme of faculty, junior residents, senior residents and staff nurses of the Departments of Obstetrics and Gynaecology, Neonatology and Paediatrics. Esteemed Director, Prof Gitanjali Batmanabane, was the chief guest. The topics covered were an Introduction to Stillbirths and birth defects surveillance, which is being done in collaboration with MoHFW, GOI and WHO, Birth Defects surveillance, Stillbirth surveillance, consent for stillborn autopsy, pathological autopsy for stillborn and biomedical waste management. A total of 58 members attended the sensitisation cum training programme. Dr Sweta Singh is the Nodal Officer, Birth Defects and Stillbirths Surveillance Team, and Dr Tapas Som is the officer in-charge of Birth Defects.

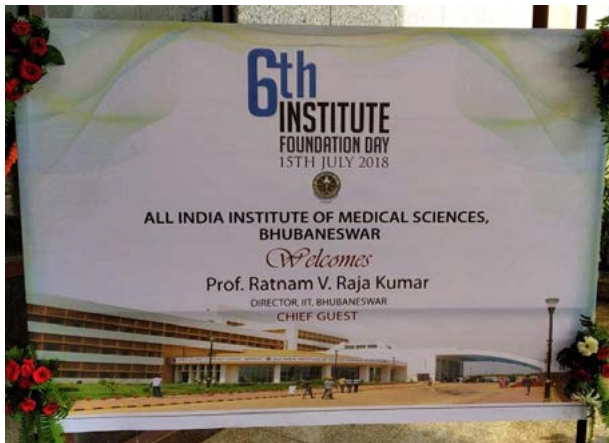

9 July 2018: Fire safety drill conducted in AIIMS Bhubaneswar

Report on Fire & Safety Mock drill College of Nursing, AIIMS, Bhubaneswar has organized Fire & Safety Mock drill on 07.Sept. 2018 for BSc(Hons) Nursing students and Staffs in collaboration with Odisha Fire & Disaster Response Academy (OFADRA). Prof. Dr. Asha P Shetty, Principal College of Nursing introduced the team to the audience. Mr. Biswanath Mohanty, Asst. Fire Officer cum Vice principal, OFADRA has introduced the theme and signified its importance. The team performed the mock drill regarding the safety measures need to be taken during fire emergencies. The students, faculty and staff energetically participated with great enthusiasm.

15th July 2018: AIIMS Bhubaneswar celebrated the 6th Foundation day, commemorating the laying of the foundation stone of this Institute by Shri Atal Bihari Vajpayee on 15th July 2003. The director of IIT Bhubaneswar Dr Raja Kumar was the chief guest for this event. The first Director of AIIMS Bhubaneswar Prof. AK Mahapatra, the first Medical Superintendent Dr AP Mohanty and first Superintending Engineer Mr.CR Nanda were felicitated during this event.

22<sup>nd</sup> July 2018: CME on Dermatotherapeutics was organized by the Department of Dermatology & Venereology on 22nd July. The theme of the CME was 'Best practices in dermatotherapeutics: Safe, Sure & Successful therapy'. The CME was held between 10am-3.30pm and was inaugurated by Professor Gitanjali Batmanabane, Director, AIIMS, Bhubaneswar. Seven invited speakers from Odisha, Karnataka, and Pondicherry attended and delivered lectures. It was followed by a brain-storming panel discussion. Postgraduate students and members of the Faculty from other medical colleges and dermatology private practitioners from various parts of Odisha (total 95 delegates) attended the CME.

23rd July 2018: His Excellency Professor Ganeshi Lal, hon'ble Governor of Odisha visited AIIMS hospital today and interacted with patients and staff.

25 -27th July 2018: The Department of Pharmacology at All India Institute of Medical Sciences Bhubaneswar organized the “2nd National Workshop on R for Basic Biostatistics”. The workshop was inaugurated by our esteemed Director Prof Gitanjali Batmanabane in the presence of Professor Debashish Hota, Head of the Department, Pharmacology, AIIMS, BBSR. Participants were from across the country and from within the institute. The participants were provided with hands on training in using R for statistical analysis of health science data.

26th July 2018: Dr Prakash Muthusami, Consultant Neuro Intervention & diagnostic radiology from Hospital for Sick Kids, Toronto, Canada, visited the Dept of Neurosurgery, AIIMS, BBSR. He delivered a talk on “Pediatric Neuro IR- pushing the limits”

28th July 2018 was observed as World Hepatitis Day. Department of gastroenterology conducted Hepatitis Awareness Programme on this day.

<b>Date</b>	<b>Time</b>	<b>Event</b>	<b>Venue</b>
24-07-2018	6pm to 6.30pm	“Hepatitis Quiz” (for MBBS students)	Lecture Theatre 1

18th August 2018: Many congratulations to Mr Anil Dash and Mr Ritesh Kumar Mishra, 7th semester UG students for winning the “State level IAP Pediatrics UG Quiz 2018” conducted at AIIMS Bhubaneswar. The event was attended by UG students from different medical colleges of Odisha state as well as from outside Odisha. They will attend the next round i.e. Zonal level Quiz to be held at Patna during East Zone Pedicon 2018 Conference. All the best to them

17th August 2018: All India Institute of Medical Sciences, Bhubaneswar today mourned the departure of the magnificent soul of one of the greatest person of the country, the former Prime Minister and Bharat Ratna Shri Atal Bihari Vajpayee.

The person who was known for his economic reforms, elevation of the nuclear status of India and peace treaty with neighbours. He had a far-sighted vision of improving the health infrastructure of the country in the underserved areas. As a result, 6 new AIIMS were set-up across the country. Shri Atal Bihari Vajpayee laid the foundation for AIIMS, Bhubaneswar on July 15, 2003. The institute celebrates this day as the Institute's Foundation Day every year until now.

The Director of the institute, Prof. Gitanjali Batmanabane delivered the condolence message on behalf of AIIMS, Bhubaneswar. It was followed by paying of homage by the faculties and the administrative staff members.

31st August 2018: The AIIMS Bhubaneswar family bids adieu to its one of the oldest and most beloved faculty since its inception. After 40 long years of service and dedication, Professor Dr Ashok Praharaj, Head of the Department of Microbiology retired.

Prof. Praharaj will not only be remembered for his lectures, but also for the countless inspiring moment he had with the students, for being an apt leader in the department, for making central library of AIIMS Bhubaneswar what it is today and for his service to this still budding institution.

20<sup>th</sup> August 2018: Institute Annual Day Celebration

Function on 20th September, 2018 on the theme “Together we can”. The occasion was graced by the chief guest Dr. Gitanjali Batmanabane, Director, AIIMS, Bhubaneswar. The event started with the invocation followed by the traditional lighting of the lamp creating a spiritual environment. The Magazine “INSIGHT-2018” was released by the Chief Guest, followed by the prize distribution ceremony. The magazine not only showcases the events and achievements of the institute, but also the creative talent and writing prowess of students along with the inspiring messages by eminent personalities.

It was a double joy for AIIMS, as new inpatient units (Neuro-Surgery, Obstetrics and Gynaecology) was inaugurated earlier on the day by the Director, AIIMS, Bhubaneswar. It is the completion of a modern, top of the line inpatient facility containing 30 hospital beds. While addressing the gathering, Dr. Gitanjali Batmanabane told that, she is proud and happy to inaugurate this place, which is designed to accommodate patients in the most appropriate manner.

During the Annual Day, MBBS revised Curriculum of AIIMS Bhubaneswar was released. Director was of the opinion, that the world is changing. Parents want their kids ready to succeed. So do teachers. So do us. That’s why it’s critical that we modernize our education system. Other dignitaries on the dias gave away prizes and certificates to the academically meritorious pupils of the institute and winners of the cultural, literary and sports events organized by the institute. It was a moment of pride when the students and staff were awarded prizes for their scholastic and co-scholastic achievements, amid thunderous applause from the audience.

The 6th Annual Day meticulously planned showcased the talents by the students and the staff of the institute. The three-hour long Cultural Show held the audience in awe and left them enlightened as the show culminated. The programme concluded with the vote of thanks by Dr. Asha P Shetty, Member secretary, Annual day committee. She lauded the relentless hard work done by the staff and students for presenting such a vibrant programme.

25th August 2018: AIIMS Bhubaneswar celebrated the first annual convocation on 25th August, 2018 for the 1st batch of MBBS 2012 and B.Sc Nursing 2013. The landmark event was marked by the graceful presence of Honourable Vice President of India Shri Venkaiah Naidu, Union Minister of Health and Family Welfare Shri Jagat Prakash Nadda, Union minister of Petroleum and natural gas Shri Dharmendra Pradhan, Member of Lok Sabha Shri Prasanna Kumar Patsani, Honourable Governor of Odisha Prof. Ganeshi Lal, Honourable Minister of health and family welfare, Govt. of Odisha Shri Pratap Jena and many other dignitaries.
