

ALL INDIA INSTITUTE OF MEDICAL SCIENCES
SIJUA, BHUBANESWAR 751019
Admission Notice No.AIIMS/BBSR/Admin/Anaesth/20
Date : 05-07-2016

Subject: Admission to the post of Post-Doctoral Fellowship (PDF) in Critical Care Medicine and Palliative Care Medicine for a maximum tenure period of one year at the AIIMS, Bhubaneswar for the Academic session 2016-17.

All India Institute of Medical Sciences, Bhubaneswar is one of the apex healthcare Institutes established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY) with an objective to establish a centre of excellence in medical education, training, health care and research imbued with scientific culture, compassion for the sick and commitment to serve the underserved. The Institute has been established as an autonomous institution and institute of National importance through the All India Institute of Medical Sciences (Amendment) Act, 2012. By virtue of this Act, the Institute grants its own medical degrees and other academic distinctions. The degrees granted by the Institute under All India Institute of Medical Sciences (Amendment) Act, 2012 are recognized medical qualifications for the purpose of the Indian Medical Council Act and notwithstanding anything contained therein, are deemed to be included in the first schedule of that Act, entitling the holders to the same privileges as those attached to the equivalent awards from recognized Universities of India.

In the field of postgraduate and post-doctoral education, the most important function of the Institute is to provide opportunities to train teachers for medical colleges in the country in an atmosphere of research and development. Postgraduate and Post-Doctoral students are exposed to newer methods of teaching and given opportunities to actively participate in teaching exercises. The other important objectives of the Institute are to bring together in one place educational facilities of the highest order for the training of personnel in all the important branches of health activity and to attain self-sufficiency in postgraduate & post-doctoral medical education. The educational principles and practices being adopted are best suited to the needs of the nation.
