

Induction Training Programme at AIIMS, Bhubaneswar

Department of Community Medicine and Family Medicine has organised an induction training programme for medical officers appointed under Odisha Public Service Commission. It was scheduled for a period of four days, dated from 19th to 22nd of April, 2017. The programme was inaugurated by Dr. Vikas Bhatia, Dean and Head, Department of CM&FM. Nineteen medical officers attended the programme. Training regarding Non-communicable diseases and their management was done on 19th and 20th of April 2017. Faculty members from various departments as Psychiatry, Medicine, Cardiology, Pulmonary Medicine, Obstetrics and Gynaecology, Endocrinology and CM&FM were the resource persons for the sessions. Medical Officers were trained for Epidemic management and Outbreak investigation on 21st and 22nd of April, 2017. These sessions were chaired by faculty members from the Department of CM&FM. Group discussions to enhance participatory approach were also promoted in the training programme.
