REPORT

**Training program for Nursing Officers on
“Care of patients with COVID-19”**

The Training program for Nursing Officers on “Care of patients with COVID-19” conducted from 3rd August 2020 onwards at College of Nursing AIIMS BBSR. 140 Nursing Officers from COVID ICU, Trauma and emergency and COVID Ward attended during 9 training programmes. This training programme aimed to orient, improve knowledge and develop skills among Nursing officers working with critically ill COVID-19 patients. Each training programme consist of 8 sessions about various topics such as clinical care of ICU patients with COVID-19, infection prevention and control practices, ZOLL portable mechanical ventilator training, prone position in management of COVID-19 patients, mental health issues and coping etc. All sessions addressed by faculty from college of Nursing and Nursing Inchargers from various departments. The training programme provided training, support and guidance about different problems and gave an opportunity to get feedback from Nursing officers. The training programme has conducted under the guidance of Dr. Gitanjali Batmanabane, Director, Dr. S. N. Mohanty, Medical Superintendent, Dr. Jawahar S K Pillai, JMS, Dr. Asha P. Shetty, CNO and was coordinated by Mr. Sam Jose, Tutor, College of Nursing.
