

## **TWO DAYS TRAINING PROGRAMME OF MEDICAL OFFICERS OF GOVERNMENT OF ODISHA ON CLINICAL MANAGEMENT OF JAPANESE ENCEPHALITIS AND DENGUE**

\*\*\*

NVBDCP, Directorate of Health Services, Government of Odisha in collaboration with AIIMS, Bhubaneswar is organising a two-day training programme of Medical Officers on clinical management of Japanese Encephalitis and Dengue. 25 medical officers of various Districts of Odisha are participating in this training programme held on 10<sup>th</sup> & 11<sup>th</sup> July 2017. The clinical picture including management and prevention of outbreak of Japanese Encephalitis and Dengue were elaborately discussed on 10.07.2017. The AIIMS Faculty Members have given the training to Medical Officers. Prof. (Dr.) Gitanjali Batmanabane, Director, AIIMS, Bhubaneswar and Dr. Madan Mohan Pradhan, Joint Director, National Vector Borne Disease Control Programme (NVBDCP) have inaugurated the training programme. Director, AIIMS, Bhubaneswar in her inaugural speech highlighted the role of AIIMS Bhubaneswar in training the medical officers to prevent the outbreak of the above diseases in our State. In future, such kind of training programme in various disciplines may be conducted for capacity building of health sector of Odisha.
