Vice Chancellor's Message

India with a glorious past of its Maritime prowess is again poised to scale up its presence in the global arena. Due to colonial past and political reasons our share in the global GDP has fallen from about 25% few centuries ago to about 3% now. While redeeming its rightful position in trade and commerce in the next few decades, our GDP is expected to grow in the range of 7-10% annually. Such expansion of a large economy is bound to generate enormous opportunities for the people who are equipped with right kind of knowledge and skill set.

This opens up prospects for young minds of India - like never before in the recent past - in myriad fields related to anything maritime. Be it a Captain, Engineer, Ship Builder, Designer, Port Manager, Logistics Expert - an ocean of opportunity is beckoning the students who are capable and worthy.

If hard work and adventure doesn't scare you, you are the material we are looking for. IMU transforms raw energy and minds of young students into the professionals fit for challenges posed by oceans. IMU offers under-graduation, post-graduation and doctoral studies in various maritime fields through its four schools spread over six campuses across India. The courses offered are unique and tailor made to suit the industry needs. This fact is corroborated by our enviable placement record of 70% which you will agree to be among the best in the country.

I take great pleasure in presenting this Academic Brochure to help you converge on your requirement and a fascinating career in Indian as well as International Maritime Sector.

Prof. K M Sivakholundu
Vice Chancellor,
Indian Maritime University

1. Introduction

The Indian Maritime University (IMU) was established on 14th November 2008 as a teaching-cum-affiliating university under the aegis of the Ministry of Shipping, Government of India, with Chennai as headquarters. It was set up to promote maritime studies, training, research and extension with focus on emerging areas like oceanography, maritime history, maritime laws, maritime security, search and rescue, transportation of dangerous cargo, environmental studies and other related fields, and to achieve excellence in these areas.

There were 7 renowned legacy teaching or research institutes under the Ministry of Shipping, and these were subsumed under the Indian Maritime University in November 2008. The institutes *Training Ship Chanakya* which was situated in Navi Mumbai became Navi Mumbai Campus while the *Lal Bahadur Shastri College of Advanced Maritime Studies & Research* and the *Marine Engineering Research Institute* became the Mumbai Port Campus of Indian Maritime University. Similarly *Marine Engineering Research Institute* and *Indian Institute of Port Management* became the Kolkata Campus of the University. The *National Ship Design and Research Centre* in Visakhapatnam and the *National Maritime Academy* in Chennai became the Visakhapatnam and Chennai Campuses respectively. Post-November 2008, Kochi Campus was set up in 2009. The University also has 18 Affiliated Institutes.

IMU is the apex institution in the field of Maritime Education in India. The university's significance can be viewed from the axial role it is playing by imparting best Maritime Education and tapping best talents for the Maritime sector. As per the directives of the Ministry of Shipping, IMU will conduct a **Common Entrance Test (IMU-CET) on all India basis for admission in Directorate General of Shipping (DGS) approved Maritime Training Institutes (MTIs) from Academic Year 2020-21.** Hence candidates seeking **admission to any MTIs (Government or Private – Affiliated to any University) to pre-sea courses are required to qualify in the IMU-CET mandatorily.**

Important note:

In the current pandemic scenario, IMU reserves the right to conduct the Common Entrance Test or adopt any other suitable alternative scheme in lieu of CET to issue the rank certificate.

5. **IMU's Online Counselling**

- (a) **IMU will conduct Online Counselling ONLY for admission to its Six Campuses.** Candidates desirous of getting admissions in Affiliated Institutes of IMU / other DGS approved MTIs may directly approach the College / Institutes of their choice after obtaining rank certificate.
- (b) Online Counselling for IMU Campuses will happen in two phases:
- **Phase-I:** Candidates with IMU issued rank certificate will be provided a portal through which they can select the Programme(s) and the Campus(s) where they desire to take admission. Candidates have to register on this portal by making Online (non-refundable) payment of Rs. 10,000/- towards Counselling Fee.

The Candidate should choose multiple options in the order of their preference for:

(i) **Programmes** based on fulfilment of eligibility conditions and
(ii) **IMU Campuses** where the above desired Programmes are being conducted.

- **Phase-II:** Based on the Rank, Social Category of the Candidate and availability of seats, a seat will be allotted provisionally to the Candidate from the list of options provided by them.
- (c) After allotment of seat the Candidate will be required to confirm the seat by paying the Programme Fee of Rs. 25,000/- (Non-refundable).
- (d) Candidates who confirm their seat will be issued with the Provisional Allotment Letter which has to be produced along with original mark sheets, certificates, physical fitness certificate, etc. at the time of verification, on the date mentioned in the letter.
- (e) Candidates who fail to confirm by the due date will be treated as drop out and will not be considered for subsequent Admission Lists for up-gradation or seat allotment due to drop outs.
- (f) There could be a possibility that the Candidate may not get a seat in the most preferred Programme/Campus in the First Admission List. They could stand a chance for allotment of seat in the Second or Third Admission List (if necessary). For this, it is mandatory that the Candidate should have confirmed the seat allotted in the First or Previous Admission List by paying the Programme Fee of Rs.25,000.

Note: Candidates whose names have not been published in any of IMU's Admission List will be entitled to a refund, after deducting the administrative charges of 10% of the Counselling Fee. The amount will be refunded to the account from which the payment is made.

- (g) Candidates who have paid the Programme Fee of Rs.25,000 and have got upgraded in the subsequent Admission List will not have to pay the Programme Fee again.
- (h) It is advised that Candidates may choose as many options as possible based on fulfilment of eligibility criteria to increase their chances for allotment of seat.

7. **Details of Under-Graduate Programmes offered by IMU**

IMU offers various UG programmes under the following Schools:

- A. School of Nautical Studies
- B. School of Marine Engineering & Technology
- C. School of Naval Architecture & Ocean Engineering
- D. School of Maritime Management

A. School of Nautical Studies

This School offers UG programmes in Nautical Science producing quality seafarers. The global demand for Indian seafarers is a testimony to their competence and discipline. The syllabi of the courses are drawn up with a view to giving broad-based marine education, with special emphasis on fundamentals of marine subjects and practical aspects of profession.

All applicants to these UG programmes i.e. 1-year Diploma in Nautical Science (DNS) and 3-year B.Sc (Nautical Science) need to fulfil the guidelines of the Director-General of Shipping, Mumbai with regard to **physical fitness**. The prospective candidates are required to produce a medical fitness certificate in the prescribed format issued by a Medical Officer approved by Directorate General of Shipping.

Only unmarried candidates are eligible to apply for DNS and B.Sc (Nautical Science). **Candidates seeking admissions to Marine Programmes are strongly recommended to have Passport. Please note that the name in the Passport should be the same as given in the 10th Std. Certificate.**

8. Details of PG Programmes

IMU offers various PG programmes under the following Schools:

- A. School of Naval Architecture & Ocean Engineering
- B. School of Marine Engineering and Technology
- C. School of Maritime Management
- D. School of Nautical Studies

A. School of Naval Architecture and Ocean Engineering

This School offers two PG programmes:

- M.Tech in Naval Architecture & Ocean Engineering.
- M.Tech in Dredging & Harbour Engineering.

The programmes in Naval Architecture & Ocean Engineering and Dredging and Harbour Engineering are aimed at graduate engineers who wish to make a career in the area of Ocean Engineering, Ship Design and Production, in the Allied Industries like Dredging, Port and Harbour Engineering industries. There is, at present, tremendous growth in Indian Shipbuilding and offshore industry. Also, India has been found to be a profitable outsourcing hub for many external design/consultancy organizations. Adequate number of qualified naval architects, Engineers and shipbuilders are not available to take up this challenge. The present programme aims at producing engineers in the fields of maritime design and construction and dredging and harbour to fill this need on an immediate basis.

Programme (Residential)	Location	Eligibility
<i>M.Tech (Naval Architecture and Ocean Engineering)</i>	Visakhapatnam	Engineering Graduate in Mechanical/ Civil/ Marine /Naval Architecture or equivalent with 60% marks in aggregate.
<i>M.Tech (Dredging and Harbour Engineering)</i>		Note: In case of SC/ST candidates there will be a 5% relaxation in eligibility marks. No maximum age limit.

B. School of Marine Engineering & Technology

This School offers the following PG Programmes:

- M.Tech in Marine Engineering & Management
- Post Graduate Diploma in Marine Engineering (PGDME)

**PG Diploma in Marine Engineering (PGDME) programme is conducted at Mumbai Port campus only. Advertisement for admissions to PGDME programme proposed to be conducted from Aug 2020 (tentative) will be issued separately.

In contemporary business world, the maritime industry faces numerous challenges while meeting multi—dimensional stakeholders’ demands. To meet these growing demands for maritime professionals and particularly, those who manage day-to-day activities in the shipping corporates need to be equipped with relevant skills to strategically helm the affairs. Keeping the same in view a new programme - M.Tech (Marine Engineering & Management) has been introduced at IMU Kolkata Campus.

Programme	IMU Campus	Eligibility
<p><i>M.Tech (Marine Engineering and Management)</i> (Residential)</p>	<p>Kolkata</p>	<p>BE/B. Tech in Marine Engineering/ Mechanical Engineering/ Naval Architecture with at least 60% aggregate marks from a recognized University.
